

Round-the-dam Comrades warm up

SUNDAY'S Umgeni Water Marathon attracted hundreds of runners to Midmar Dam.

Runners used the race as an opportunity to qualify for

the Comrades Marathon later this year.

Organised by the Collegians Harriers, runners could take on the 42, 35 or 15km race which circled the dam.

SOME use portable music systems to get through the race.

RUNNERS take on the Umgeni Water Marathon.
