# South Coast schools talk about wetlands

World Wetlands Day was observed last Friday.

**F**RIDAY the 13th proved lucky for three Umzumbe schools.

Mgamule High, Mabiya High and Ntabulukhozi High School came out tops in the wetlands' school competition.

The winning teams will tour large wetlands like Greater St Lucia

(Isimangaliso) and others in the province.

In a joint venture initiated by Ugu Environmental Services and Agriculture and Environmental Affairs, Provincial Environmental Health, Water Affairs and Forestry, Environmental Affairs and Tourism, Education, Umgeni Water and EzeMvelo

**Nature:** Shezi Tanie and Dlamini Welcome from Mgamule High put the finishing touches to their wetlands presentation at Marburg Haven last Friday. The Umzumbe school won first prize in the competition.

KZN Wildlife, pupils were asked to do a presentation on wetlands in their area.

The competition was

held at Marburg Haven.

Six schools from the Umzumbe and St Faiths area took part in the competition.

The groups had to do research on wetlands, come up with their findings and report on it at the competition.
